Metalsmithing for
Jewelry Workshop

3-3.5 hours

Basalt Bling Bracelet

\$165
per person

Create!

Start your journey into metalsmithing by learning to drill holes in beach glass and pebbles then combine it with soldering basics and wire manipulation to create a beautiful beachy bracelet.

Have Fun!

No experience necessary- all levels of jewelry makers are invited to create! All tools and materials are included in the cost of your workshop.

Learn!

- Texture techniques using hammer and a steel block
- Use of jeweler hand tools including hammers, pliers and cutters
- Use of drill press and Dremel drill to drill holes in beach glass or basalt pebbles
- Manipulation of copper wire to create large rings and circles forming links for bracelet
 - Safely use butane torch to solder jump rings you create
 - Use of sandpaper and metal files for finish work
